Joseph Valentine from the American Legion Ambulance Association was present to discuss current services provided to the Township, the cost of providing those services, and their future needs with continuing their operations. He had previously supplied the Township Committee a draft version of an Organizational Assessment done by an outside firm, dated May 28, 2021. The Township Committee would be supplied with the final copy once completed. A lengthy discussion was held regarding how the costs per municipality were calculated and those municipalities who did not currently fund the Association but received services.

The CFO, Susan DeFrancesco, explained to the Township Committee that William Morris, Custodian for the Town Hall would be retiring as of June 30, 2021. She provided a proposal from McGee's Cleaning to perform the required service on a weekly basis. This proposal outlined the scope of the work to be done at a cost of \$75.00 per week. No quotes were required as the aggregate cost was under the quote threshold.

Cimprich made a motion to approve the proposal as presented. This motion was seconded by Seery and adopted upon a call of the roll.

Bishop - Yes Cimprich – Yes Seery - Yes Zeck – Yes Meschi – Yes

The CFO, Susan DeFrancesco informed the Township Committee that she had received a written resignation from Susan Boeckle resigning from her position as Municipal Alliance Coordinator. The letter stated that the Upper Pittsgrove School Administration would like to turn the Program over to the Township. Seery stated he had spoken with the County MAPSA Coordinator, and the program was best directed from within the school.

A lengthy discussion was held regarding Executive Order 242 that no longer required masks indoors. This bill did leave the discretion up to local municipalities as to whether or not to still require them. On June 1st, the building was reopened with the requirement that all those entering wear masks, vaccinated/non-vaccinated alike. Cimprich made a motion to table the mask discussion until the July 13, 2021 meeting. This motion was seconded by Meschi. The motion fell without the majority vote. After some additional discussion, Zeck stated he would be willing to compromise to allow the mask requirement to remain in place only until July 1st.

Cimprich amended the motion to allow the mask requirement to remain in place until June 30th. On July 1, 2021 the residents would no longer be required to wear masks when entering the building and all signage would be removed. Meschi seconded this motion. Since it appeared there was a majority in favor of the continued mask requirement until June 30th. On July 1st, all signage would be removed and those entering the building would no longer be required to mask.

The Mayor opened the meeting to the public for comment. Resident Betty Coombs said she was there to meet the new Mayor. She inquired as to who the new Public Works employee was. The Mayor asked for any other comment from the public. There being none and no further business, the meeting was adjourned to meet at the call of the Mayor.

Respectfully submitted,

Linda R. Stephens, Clerk
