2023 Farmland Assessment Forms

Dear Farmland Assessment Applicant:

Enclosed please find an Application for 2023 Farmland Assessment (Form FA-1) and Supplemental Farmland Assessment Gross Sales Form (Form FA-1 GS) pertaining to the Farmland Assessment Act of 1964. Please type or print all information and be certain that it is legible on all copies.

Applications for farmland assessment must be returned on or before August 1, 2022.

The Assessor's office will be closed on Tuesday July 5th. Applications can be dropped of anytime the municipal building is open or placed in the drop box anytime.

Please note that an additional application (Form WD-1) entitled Woodland Data Form must also be filed by those owners who seek a farmland assessment for land devoted exclusively to the production for sale of trees and forest products.

It is of the utmost importance that all sections of the form be completely and accurately filled out. Incomplete or inaccurate information on any of the forms to be completed by the owner of the property will be returned and could jeopardize approval of the application, resulting in a loss of farmland assessment.

Should you have any questions I can be reached using the contact information on the bottom of the page.

Sincerely,

Michael T. Raio
